FLOOR DEBATE

March 7, 2002 LB 1003

SENATOR SMITH: Thank you.

SENATOR CUDABACK: Thank you, Senator Smith. On with the discussion, Senator Chambers.

SENATOR CHAMBERS: Mr. President and members of the Legislature, I'd like to ask Senator Schrock a question or two.

SENATOR CUDABACK: Senator Schrock, will you yield?

SENATOR SCHROCK: Yes, Senator Chambers.

SENATOR CHAMBERS: Senator Schrock, the only thing that these commissioners get, based on the statute, would be reimbursement for expenses?

SENATOR SCHROCK: Yes, and some of them don't take that.

SENATOR CHAMBERS: Would those expenses include traveling to Ireland to maybe chip a piece off the Stone of Scone and bring it back to Nebraska, plant it at Mahoney Park and see if one could be grown there?

SENATOR SCHROCK: I'm presuming that's not the case, Senator Chambers.

SENATOR CHAMBERS: Might they be authorized to go there and get a chip off the Blarney Stone to bring it into the Legislature, break it into 49 equal pieces and give one to each Senator?

SENATOR SCHROCK: I think the public would frown on that. I don't know if that...I would doubt whether that's in there.

SENATOR CHAMBERS: Okay, now to come to a question that relates directly to what we're talking about here. Does this commission have any input in determining what kind of legislation may be submitted in behalf of the Game and Parks Commission to the Legislature?

SENATOR SCHROCK: Absolutely.
